*Mary Gowans*

Members had a discussion of recurrency requirements. Don Weaver reported that his Blog might be opened during the end of April. Nancy commented on awards to Nationals going to non-American winners. The new rule could be changed to award places to the winners in each place regardless of nationality.

Sandy took over for reviewing free programs. This is very interesting for non-competing members to become more acquainted with the Aresti figures, points, hearing comments about going from one maneuver to another and having enough speed to do the second maneuver while maintaining the correct direction. Sandy encouraged the competing pilots to send in their freestyle programs which might, at some competition that you are flying, be used as a program.
