President's Column

The contest held by the new chapter in Olean, New York was shortened by a rain out of day 2. Everyone got one flight on Saturday in a windy box. Good preps and excellent turnout made for a good time for all in spite of the weather. The airport support group provided very good breakfast & lunch meals both days. Good stuff. Many of our Canadian friends were there & planned to attend Jackson.

The Ohio contest was a great success, in spite of a delayed start. The President flew into Columbus on Friday & the resulting TFR until 1PM held up flying, but they got every one three flights Friday PM & Saturday. Great dinner, a good time had by all.

See you at the Jackson contest. Bring friends & neighbors

Fly safe,

Sandy
