President's Column

Next meeting is Nov 21 at the Howell terminal. I'm hoping for a large turn out for the chapter officer election. (If you miss the meeting, you may become the write-in candidate for a position you were not anxious to hold.) The December meeting will probably be Christmas Dinner with the Brighton EAA at the Brighton airport. I'm waiting for date confirmation from them.

Based on the discussion at the Oct meeting, I intend to alter how we run our meetings starting in January 2011. We will start the "business meeting" with chapter officers at 1 PM. The general member meeting will start at 1:30 or 2 (to be set by member choice). The 2nd part will not be a business meeting, but an aerobatics meeting. One topic for this will be reviewing member free programs with respect to unknown requirements, so they can be submitted to IAC. Another potential subject would be a seminar discussion of how to fly the known sequences with coaching from our experienced members.

I'm also looking forward to expanding our 2nd part meetings to electronic media, for the participation of more of our far flung members.

See ya all at the Howell meeting,

Sandy

Old Business

Jackson Competition Review:

We need to get the trailer out of Pontiac. Sandy planned to remove it later this week.

Tent needs repair ? a good winter job. We will need to find a hangar.

Chapter URL: Don suggested a 1st step developmental prototype website be done and get approval after discussion.

Don Weaver made a motion that we proceed with the development of a prototype website. Seconded by Nancy Wright and passed.

New Business:

Elections: Elections will be held at the January 16, 2011 meeting. The incomplete slate that will be presented to the membership will be:

President:

Vice President:

Treasurer:

Secretary: Mary Gowans

Possible New Meeting Sites: Don suggested communicating with other areas by a ?GoTo Meeting.? We will need internet wireless access with computers and a speaker phone.

A ?GoTo Meeting? will allow us to have the meeting in any location, be a Virtual Meeting and tie in with members in Holland and Traverse City who cannot travel to the Howell or to the east areas.

It was decided to have our first Virtual Meeting on January 16, 2011, at the Howell Airport Terminal at 2:00 pm ? note change of time. Don Weaver will set up and manage the equipment.

Change in Meeting Time: Don suggested that we shorten the meeting to less business and more fun topics.

It was suggested that we have a Board meeting at 1:00 pm and the member?s meeting at 2:00 p.m. Sandy will give a sort review of business covered by Board and then continue with rest of the meeting. Suggestions were reviewing pilot?s unknown freestyle programs so that they fit the unknown requirements. Another suggestion was that pilots discuss how to fly the known sequences.

Motion to adjourn was made by Hugo Ritzenthaler at 12:20 pm., seconded by Don Weaver, motion passed.

That Saturday was a rather windy day. The wind sock was swinging straight out. Hugo had to fly his Pitts back home; we watched his take off. If he had an exciting landing, we might influence him to describe it.

Respectfully submitted,

Mary Gowans

Secretary
