### President's Column

"Thank you" to the work force that made up our new box markers at the November meeting.

I think they will be a significant improvement over the well worn old set; much easier to deploy, recover, & stow.

The December "meeting" at the dinner with EAA234 went very well. Excellent turnout and fabulous food, plus an entertaining evening. The EAA chapter presented their Chapter Officers and Young Eagles Volunteers Appreciation certificates. I presented the Dick McDonald memorial plaque to the Brighton Airport Association representative for display at their meeting center. Then came a game fashioned after Family Feud called Aviation Feud. Good fun and a way to show off the huge screen installed in Todd Trainor's hanger.

Next meeting is 1 PM January 17 at Howell Terminal. I intend to rough out the calendar for 2010, so bring your ideas.

Enough of this snow already, think spring .

*Sandy*

### From the Editor

Here is our last Newsletter for the year, and at the same time the first in the new year.

We had an active year with many ups and downs in the aerobatic community. Let us look forward now to a new year with its challenges and rewards. I am hoping to generate some new ideas in our January meeting, so please think about what we would like to achieve in 2010 (Maybe something like Steve Tupper's Acrocamp, as proposed in our August '09 newsletter, or how to attract even more colorful birds to our aerobatic contest...).

In our upcoming January meeting we would like to work on the 2010 calendar. Your input is very important, so please try to make it for this Sunday's meeting. Hope to see you there,

*Quinter*

Happy New Year,

And may The Force always be with you...
